CIRCULAR

Sub: Sending Access Confirmation Certificate-Reg.,

In continuation with this office letter dated 21st February 2016, the VTU Consortium has already communicated the respective Publishers to extend access to all the VTU affiliated Colleges along with the respective colleges static IP addresses with effect from 01-01-2016. However, those colleges who have not got the Static IP address so far are requested to obtain a Static IP address and communicate to the Consortium. License Copy for filing/uploading to AICTE will be sent to your college immediately after receiving the Access Confirmation Certificate.

Hence you are requested to print the enclosed Access Confirmation Certificate text in your college Letter head and send the same to the undersigned on or before 15th March 2016. If the Access Confirmation Certificate is not received on or before the above date, it will be deemed that your college/student is accessing all the e-Resources subscribed by the VTU Consortium.

If you have any access issues, you are requested to contact the concerned publisher's representatives and get the same resolved in the first

To,
All the Principals,
Affiliated to the VTU, Belagavi

Dear Sir/Madam,

Sub: Re-Activation of IEEE's IEL Online Database to all VTU Consortium member colleges-reg.,

With reference to the above, this is to bring to your kind notice that the IEEE's IEL Online access has been re-activated and the access has been made available to all the VTU Consortium member Colleges with effect from September 2016 to April 2017. As per the new contract agreement had with IEEE, the access to IEL online will continue till 1st May 2017.

I request you to go through the IEEE Explore Digital Library link and confirm the availability of access to your college. If there are any issues with the access you may please contact M/s.GIST or its representative through mail to "onlinesupport@gist.in".

Further, as per the License Agreement of the IEEE the VTU Consortium has to provide the Static IP Addresses of all the member colleges, the IEL Online access would be extended to those colleges who have Static IP Addresses only. However, on the request of the Consortium, the IEEE has agreed to extend the access for 30 days through User ID & Password for those colleges who do not have Static IP Addresses. **Hence, all the colleges who do not have Leased Line of Internet may immediately get the Static IP Address and get seamless access of IEL-Online.**

I thank you on behalf of the VTU and all the members of the VTU Consortium committee for bearing with the inconveniences caused due to the disconnection of IEL-Online all these days. We also thank you for your cooperation in resolving the issue. We anticipate your continues support & cooperation.

Thanking you

Yours Sincerely

Dr. H. N. Jagannatha Reddy
