Dear Sir,

**Sub: Payment of VTU Consortium Annual Membership Fees 2016**  
**Ref: EC Resolution Item No. 7.2 dated: 21-02-2015**

With reference to the above subject, this is to inform you that the VTU Executive Council in its 117<sup>th</sup> meeting held on 21-02-2015 (Item No. 7.2) had accepted the recommendations of the Academic Senate of VTU and resolved to collect fee of Rs. 500/- from every UG Students, Rs.1000/- from PG Students and Rs. 2000/- from every research scholar along with University tuition fees annually from the academic year 2015-16. Further it was also resolved to collect the VTU Consortium Annual Membership Fees of Rs.50,000 from UG Colleges, Rs.1,00,000 from UG/PG Colleges and Rs.1,50,000 from every Autonomous Colleges.

The committee while reviewing the expectations of all the colleges felt that the databases like Elsevier Science Direct along with the other important databases are to be inevitably included in the list of subscribed resources of the consortium. Hence, to accommodate all the desired databases to VTU Consortium, it was recommended to increase the students' fees from Rs.500 to Rs.1000, PG Students from Rs. 1000 to Rs.2000 and Research Scholars from Rs.2000 to Rs.4000.

However, the Chairman of the Governing Council the Vice Chancellor in the Governing Council of the VTU Consortium rejecting this proposal, suggested that as the complete financial burden of subscribing e-Resources by individual institutions has been

Dear Sir/Madam,

**FINAL REMINDER**

Sub: Payment of VTU-Consortium Students Fees and College Annual Membership Fees-2016

Ref : 1. VTU/LIB/VTU-Consortium/2015-16/7197 dated:17-11-2015  
2. VTU/LIB/VTU-Consortium/2015-16/9625 dated:10-02-2016

\*\*\*\*\*

This is to bring to your kind notice that, VTU Consortium was started to facilitate the Affiliated Colleges to get access to the rich e-Resources at an affordable cost. The colleges were struggling to comply the AICTE Mandated Journals. They were spending more than 20-30 Lakhs of Rupees to subscribe the minimum e-Resources. Looking at the difficulties experienced by the colleges and the importance of getting access to scholarly Journals to the Students of VTU, the University ventured in to establishing the VTU Consortium. Earlier two years this consortium was functioning on the voluntary membership of the colleges. Looking at the mixed response from the colleges the Executive Council of the VTU decided to lessen the burden of the colleges and introduced the Student Fees Model by introducing VTU Consortium e-Resources Fees of Rs.500/- from UG Students, Rs.1,000/- from PG Students and Rs.2,000/- from Research Scholars (PhD) along with the VTU-Consortium Annual Membership Fee of Rs.2 Lakhs for Autonomous Colleges and Rs.1 Lakh for Other Colleges.

Now even a student of resource poor college which has the student strength of less than 1000 also gets the same e-Resources compared to the resource rich colleges, as the students are paying for the resources they access. This has been very widely accepted by all the academic community across the colleges affiliated to VTU. Now the Teachers are able to get updated by the huge E-Resources available at their doorsteps. This will also widens the knowledge of every teacher who carries this updated knowledge to their Class Rooms.

With this brief note about the VTU Consortium, this is to inform you that your college has not made payment of VTU-Consortium Student Fees or the Annual Membership Fees. Collection of Student fees and remittance to the VTU is mandatory as per the VTU Act. VTU Consortium has already extended the access to all the e-Resources since January 2016 to all the colleges except IEEE IEL-Online database. Your Principal has been reminded several times about this payment; unfortunately so far the payment from your college has not been received

by the VTU-Consortium. Till date the following balance is outstanding with respect to your college Rs.1,00,000/-

The details of the Balance are as under:

| Sl. No. | Academic Yr | Particulars                        | Balance Amount    |
|---------|-------------|------------------------------------|-------------------|
| 01      | 2016        | VTU-Consortium Membership fees     | 1,00,000/-        |
|         |             | <b>Total pending payment of Rs</b> | <b>1,00,000/-</b> |

It is most necessary to contribute to the Consortium to enable the VTU-Consortium to pay to the publishers as per its commitments. So far, the payments are not affected to the publishers due to the shortage of funds in this account, the result of which IEEE has disconnected its access till the payment is affected.

Hence, you are requested to direct your Principal to make this payment immediately on or before 4th October 2016 without fail. If the payment is not received by the above date, the matter will be viewed very seriously and will be brought to the notice of the Competent Authorities including Executive Council, AICTE and the Government of Karnataka for necessary action.

Dear Sir/Madam,

Sub: Re-Activation of IEEE's IEL Online Database to all VTU Consortium member colleges-reg.,

With reference to the above, this is to bring to your kind notice that the IEEE's IEL Online access has been re-activated and the access has been made available to all the VTU Consortium member Colleges with effect from September 2016 to April 2017. As per the new contract agreement had with IEEE, the access to IEL online will continue till 1st May 2017.

I request you to go through the IEEE Explore Digital Library link and confirm the availability of access to your college. If there are any issues with the access you may please contact M/s.GIST or its representative through mail to "[onlinesupport@gist.in](mailto:onlinesupport@gist.in)".

Further, as per the License Agreement of the IEEE the VTU Consortium has to provide the Static IP Addresses of all the member colleges, the IEL Online access would be extended to those colleges who have Static IP Addresses only. However, on the request of the Consortium, the IEEE has agreed to extend the access for 30 days through User ID & Password for those colleges who do not have Static IP Addresses. **Hence, all the colleges who do not have Leased Line of Internet may immediately get the Static IP Address and get seamless access of IEL-Online.**

I thank you on behalf of the VTU and all the members of the VTU Consortium committee for bearing with the inconveniences caused due to the disconnection of IEL-Online all these days. We also thank you for your cooperation in resolving the issue. We anticipate your continues support & cooperation.

Thanking you

Yours Sincerely

Dr. H. N. Jagannatha Reddy

In continuation with this office letters cited above for sending the VTU Consortium e-Resources Fees of Rs.500/- from UG Students, Rs.1,000/- from PG Students and Rs.2,000/- from Research Scholars (PhD) along with the Annual Membership Fee of Rs.2 Lakhs for Autonomous Colleges and Rs.1 Lakh for Other Colleges. It is observed that till date some of the colleges have not made payment of VTU-Consortium Student Fees and the Annual Membership Fees. However, access has been given to all the colleges affiliated to VTU to all the e-Resources subscribed by the VTU Consortium.

As all the College Principals have experienced the working of VTU Consortium, it is most necessary to contribute to the Consortium to enable the Consortium to pay the publishers as per its commitments. So far, the payments are not affected to the publishers due to the shortage of funds.

Hence, you are requested to make this payment immediately on or before 28<sup>th</sup> February 2017 without fail.

P.B. No. 8005, C.V. Raman Avenue, Bengaluru - 560 080, INDIA

No.: IASc/CD/01/2016-01

26 December 2016

Dear Subscriber,

Subject: Renewal of subscriptions for 2017

The Indian Academy of Sciences was founded in the year 1934 by Sir C.V. Raman and publication of Scientific Journals has been the most important activity since then. The Academy is now publishing 10 Journals covering almost all disciplines in Science. The Current Science Journal, published by the Current Science Association, is also being managed by the Academy. Over the last many decades, these Journals have attained very high reputation both for their quality of content, production and timely release. This recognition has been confirmed time and again by various parameters such as Impact Factors, Citation Indices, etc., provided by international agencies. Needless to mention, these Journals are priced moderately to the high quality materials that we are able to supply. Our constant efforts to improve the quality of Journals will continue and as always it will also be our constant endeavor to maintain the good service to our valued subscribers.

We are pleased to inform you that, the Academy is now accepting subscription renewal/new orders for the year 2017. As per the subscription renewal policy of the Academy, Orders for Journals will be accepted for calendar year except for Journals 'Resonance' and 'Current Science' for which July—June period is also accepted. We enclose the pricelist and order form, (soft copies are also available in the Academy website: [www.ias.ac.in](http://www.ias.ac.in)) and we would generally like to recommend all Journals for your library. The prices are inclusive of Postal and handling charges. **Please pay the full subscription fee for renewal/new order by 31 January 2017. Sir/Madam,

Greetings from VTU Consortium,

VTU Consortium is happy to inform you that the e-Resources subscription to the VTU-Consortium for 2020-21 is completed.

Due to the spread of COVID-19 and the GoI and GoK directions of precautionary measures and subsequent multiple Lockdowns all the Consortium's scheduled activities were stalled and the negotiation Meeting was also postponed. In addition to these things, the subscription period for the e-resources for the year 2019-20 was also ended by 31<sup>st</sup> March 2020.

However, the steering committee had decided to request all the publishers to continue accessing their e-resources to all VTU Consortium stakeholders until the Governing Council made the appropriate decision. Similarly, all the publishers had extended their services in anticipation of renewal orders from the University for 2020-21.

Though the VTU Consortium started its renewal process late in the last year but concluded its final negotiations during the Governing Council Meeting held on 24<sup>th</sup> August 2020. As per the Steering Committee's recommendations, to renew the existing resources that were subscribed for the year 2019-20 for the year 2020-21 was approved by the Governing Council of the VTU Consortium as under:
