Certificate of Course Completion

CCNA Routing and Switching: Introduction to Networks

The student has successfully achieved student level credential for completing CCNA Routing and Switching: Introduction to Networks course administered by the undersigned instructor. The student was able to proficiently:

- Explain network technologies.
- Explain how devices access local and remote network resources.
- Describe router hardware.
- Explain how switching operates in a small to medium-sized business network.
- Design an IP addressing scheme to provide network connectivity for a small to medium- sized business network.
- Configure initial settings on a network device.
- Implement basic network connectivity between devices.
- Configure monitoring tools available for small to medium-sized business networks.

CCNA Routing and Switching: Introduction to Networks

The student has successfully achieved student level credential for completing CCNA Routing and Switching: Introduction to Networks course administered by the undersigned instructor. The student was able to proficiently:

- Explain network technologies.
- Explain how devices access local and remote network resources.
- Describe router hardware.
- Explain how switching operates in a small to medium-sized business network.
- Design an IP addressing scheme to provide network connectivity for a small to medium- sized business network.
- Configure initial settings on a network device.
- Implement basic network connectivity between devices.
- Configure monitoring tools available for small to medium-sized business networks.

To whomever it may concern

This is to certify that Mr/Miss. Prasad M S (4AD16EE031) of college Academy for technical and Management Excellence (ATME), Mysuru have worked as an intern in Department of Testing and Programming in our Kuvempunagar branch, Mysuru.

During the internship training period, following work was trained to him/her:

- IoT- Internet of Things
- Real Time Database (Cloud)
- Micro Controller
- Embedded System
- App Development

The duration of the internship was from 08/07/2019 to 31/08/2019 (working days only).

His performance during the internship training period was

Satisfactory Average Not Satisfactory

We wish him/her best of luck for his future endeavour.
